

April 13, 2020

Dear Students and Parents,

We are writing to provide you detailed information and important links regarding AP Exams this year. Please take the time to read this email carefully, including all links, to best ensure you fully understand all aspects of the AP Exams this year. We have also included a downloadable document with all of the information to assist you with reviewing the information at your convenience.

It is important to note that Jericho High School requires all students who are enrolled in AP courses to sit for the corresponding exams. The College Board has made numerous changes and accommodations to this year's AP exams to account for distance learning as well as social distancing, and to ensure that all students will be able to take this year's exams. We believe these changes should appropriately support JHS students and the subsequent scoring outcomes. Therefore, JHS students enrolled in AP courses are still expected to sit for the corresponding AP exams.

Any questions you have regarding a specific course/exam should be directed to the teacher of the course. Other questions pertaining to AP exams may be directed to Ms. Kathryn Behr at [kbehr@jerichoschools.org](mailto:kbehr@jerichoschools.org).

Finally, please note that College Board is hosting a webinar for parents on Thursday, April 16 from 7-8pm. Registration is limited, and we encourage you to register ASAP at [https://globalmeet.webcasts.com/starthere.jsp?ei=1302024&tp\\_key=73070ccd21](https://globalmeet.webcasts.com/starthere.jsp?ei=1302024&tp_key=73070ccd21)

Thank you for taking the time to read through the information below in order to best prepare for AP Exams this year.
