All students must pass all 5 regents exams with a minimum score of 65: English, Global History & Geography, U.S. History & Government, Math A or Integrated Algebra and a Science. In addition, a World Language proficiency or a year of high school World Language must be passed. CSE students who have a waiver of second language on their IEP do not have to earn this credit. A course in technology education may be used as the third unit of credit in science or mathematics, but not both. The arts are defined as dance, music, theater, and visual arts. CSE students must take the required Regent exams, but may earn credit for graduation by scoring a minimum of 65% on RCTs. CSE students who meet graduation requirements by passing RCTs instead of Regents exams will earn a local diploma.

* Advanced Regents Diploma

In addition to the above, students must:

- Pass Math A and Math B or Integrated Algebra, Geometry and Trigonometry Regents exams
- Pass one Regent exam in Living Environment/Biology and one Regents exam in a Physical Science i.e., Earth Science, Chemistry or Physics
- Complete one of the following:
 - A World Language (3 credits)
 - Career Technical Education (5 credits)
 - The Arts (5 credits)
